IF I FORGET YOU

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Two former lovers reconnect in this beautiful and haunting tale of great lost love from the critically acclaimed author of *The Headmaster's Wife*. Deeply affecting and compulsively listenable, *The Headmaster's Wife* was a breakout book for Thomas Christopher Greene. Now Greene returns with a beautifully written, emotional new novel perfect for his growing audience. Twenty-one years after they were driven apart by circumstances beyond their control, two former lovers have a chance encounter on a Manhattan street. What follows is a tense, suspenseful exploration of the many facets of enduring love. Told from alternating points of view through time, *If I Forget You* tells the story of Henry Gold, a poet whose rise from poverty embodies the American dream, and Margot Fuller, the daughter of a prominent, wealthy family, and their unlikely, star-crossed love affair, complete with the secrets they carry when they find each other for the second time. Written in lyrical prose, *If I Forget You* is at once a great love story; a novel of marriage, manners, and family; a meditation on the nature of art; and a moving elegy to what it means to love and to lose and how the choices we make can change our lives forever.
